# FIGURAS GEOMÉTRICAS

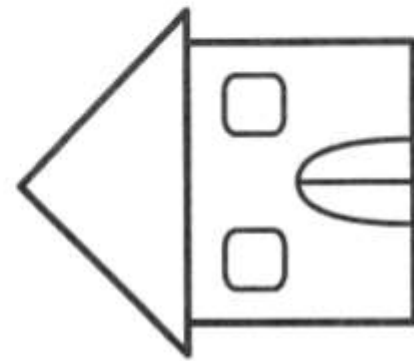

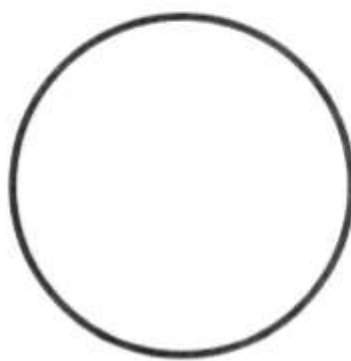

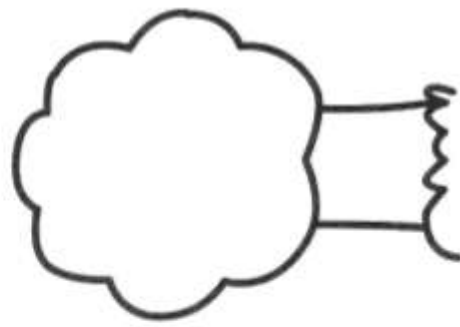

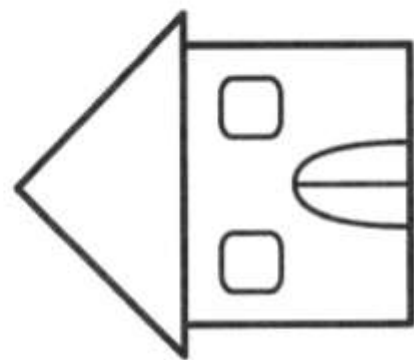

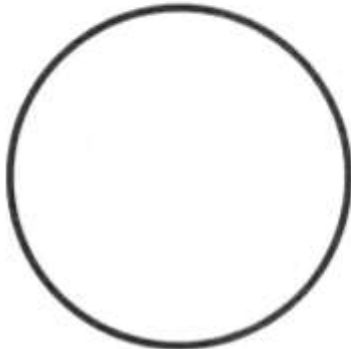

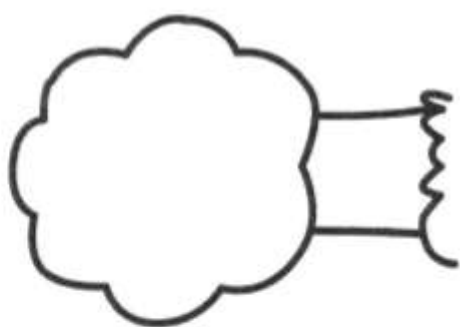

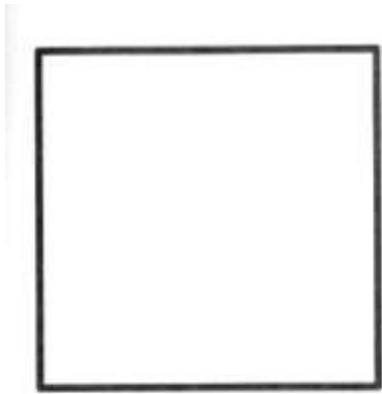

PINTA los ○ de amarillo, los △ de verde, los □ de azul y los rectángulos de rojo.

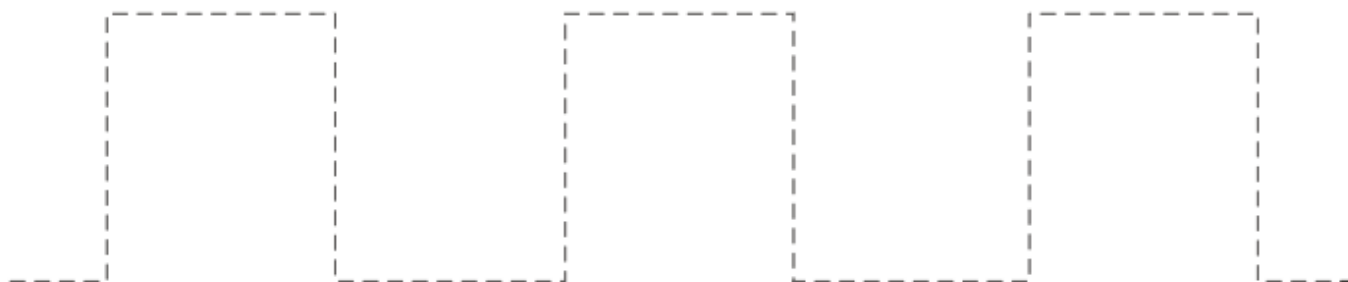

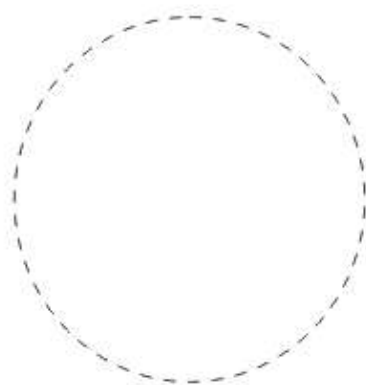

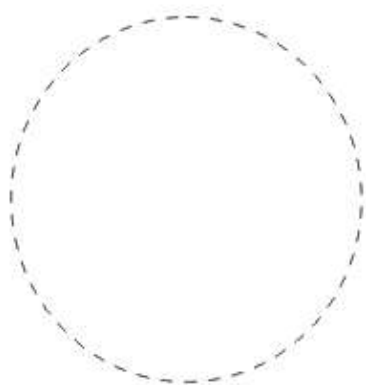

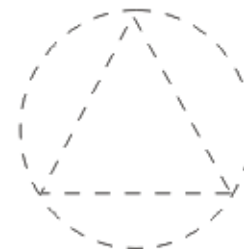

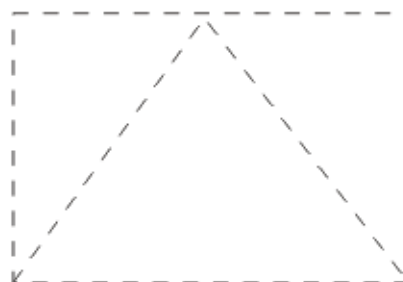

FIGURAS GEOMETRICAS

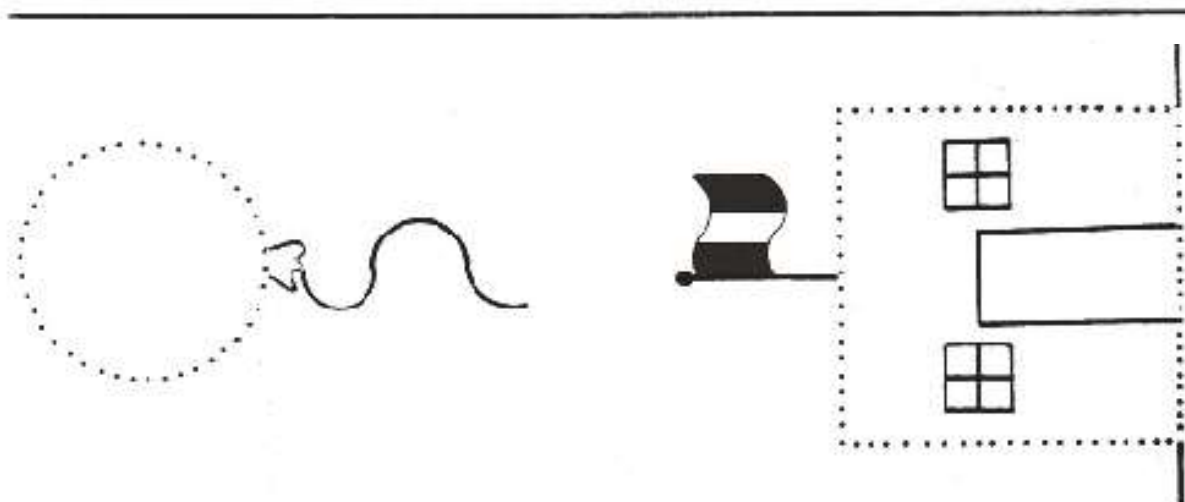

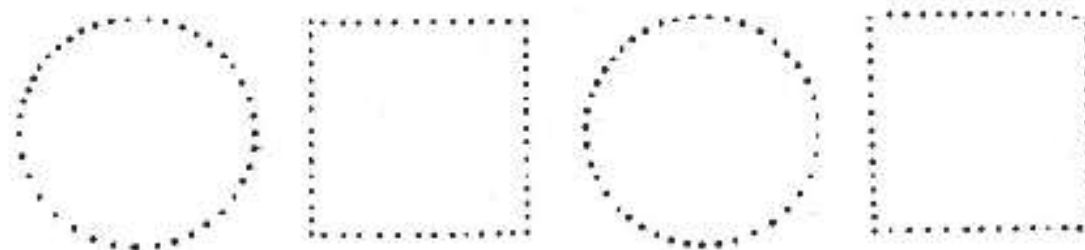

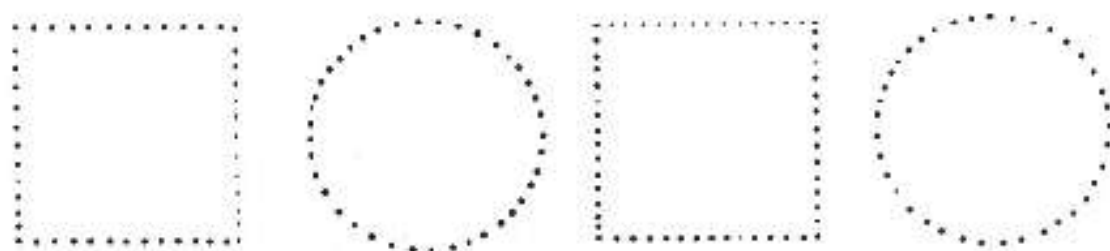

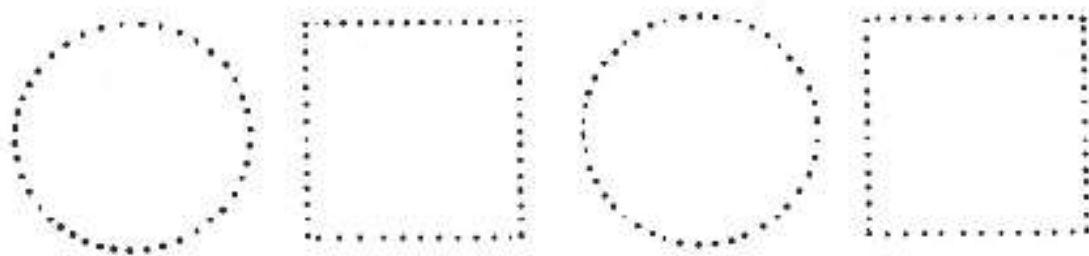

COLOREAR alternando dos colores.

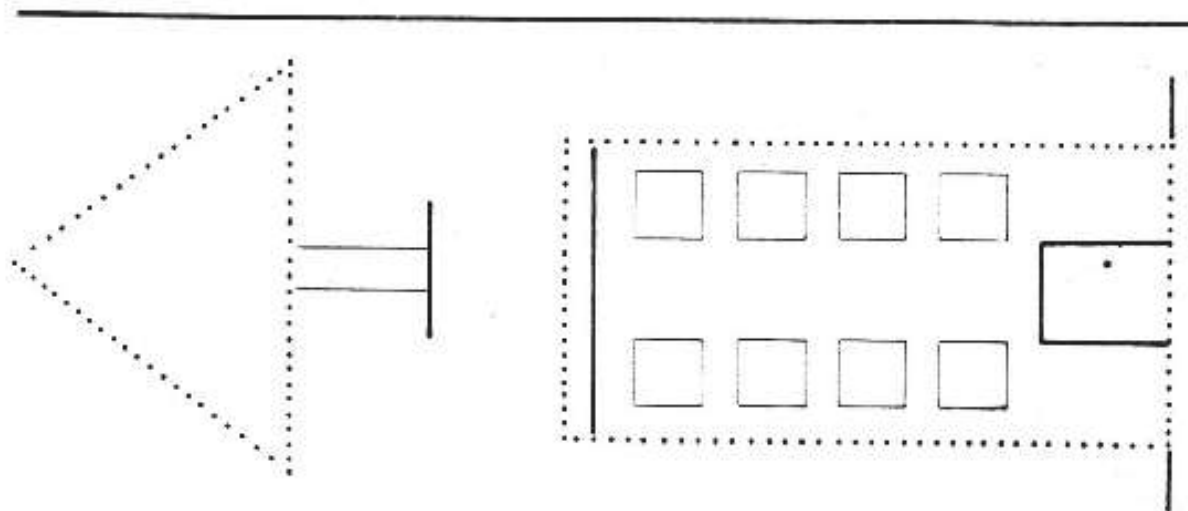

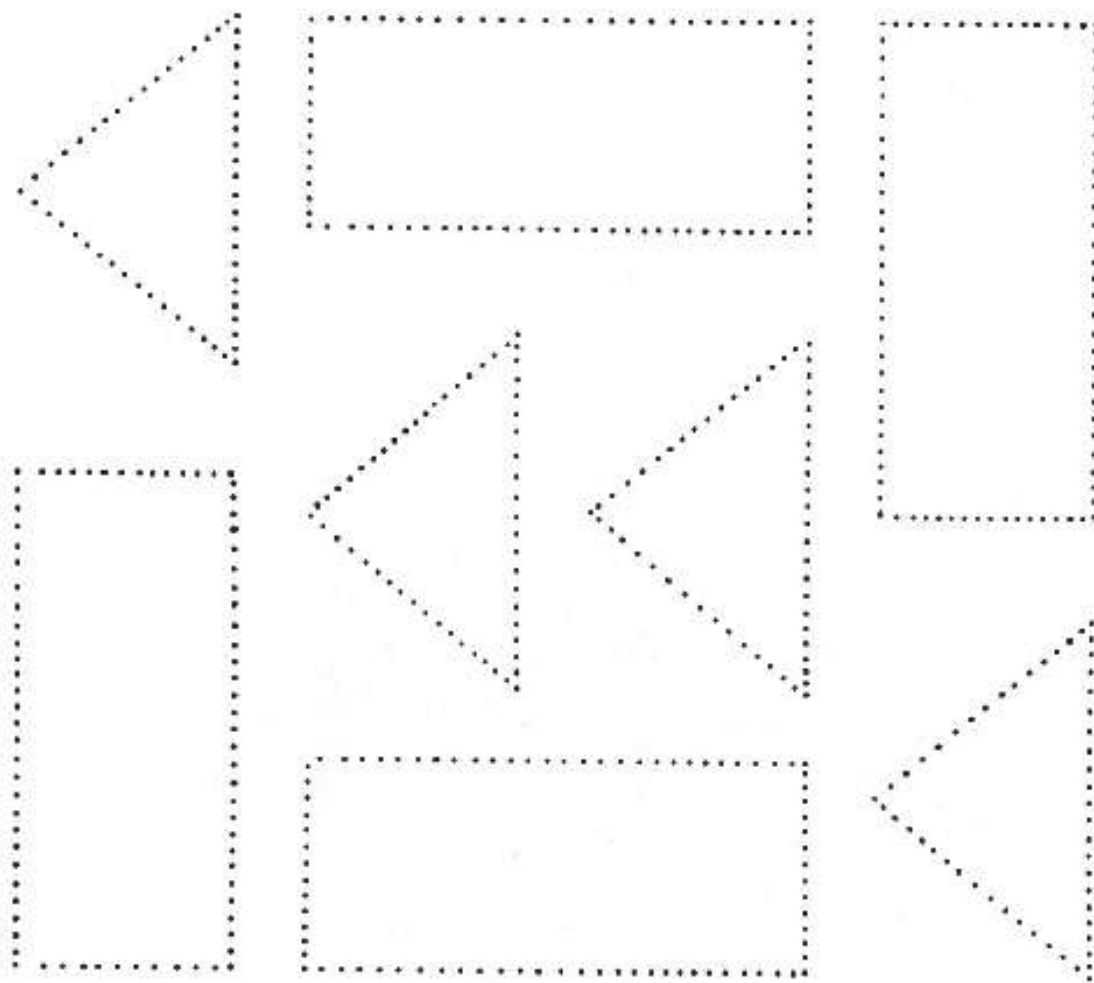

Completar con lápices de colores las figuras.

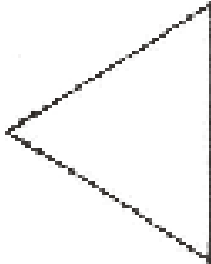

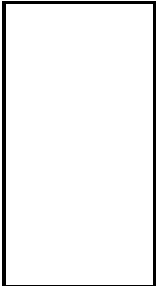

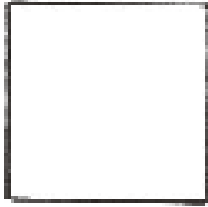

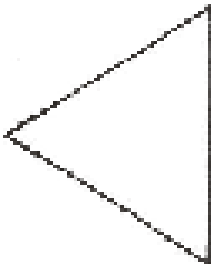

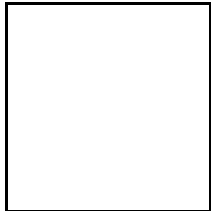

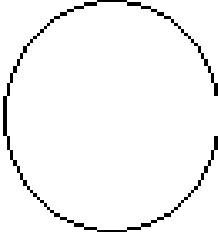

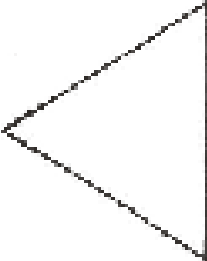

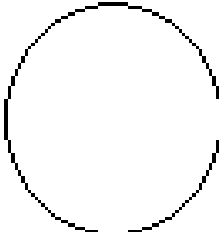

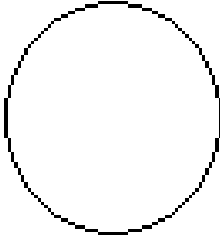

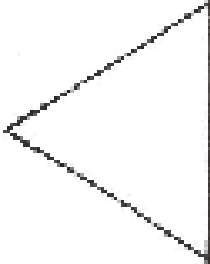

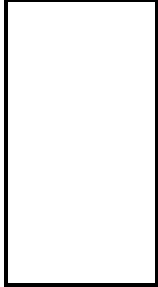

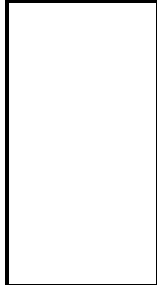

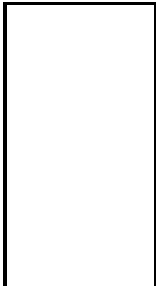

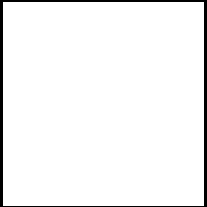

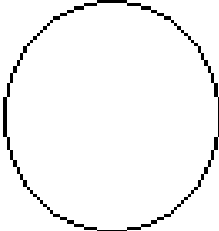

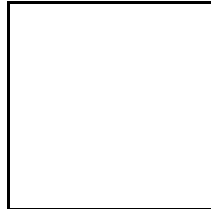

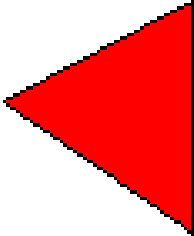

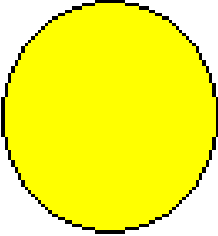

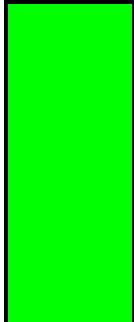

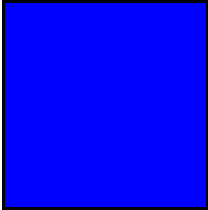

- Delinea de rojo los círculos y de verde los cuadrados.

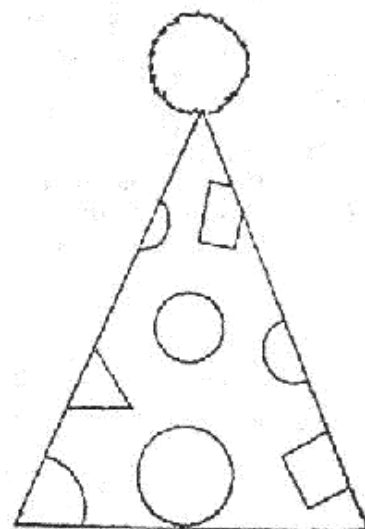

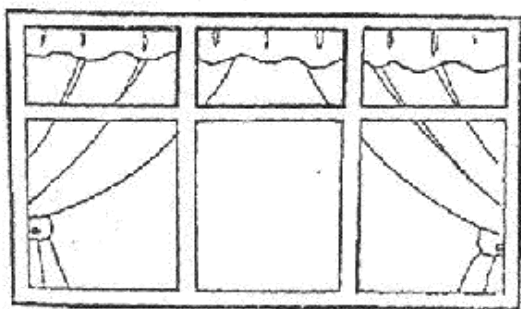

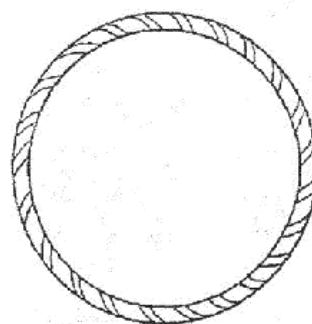

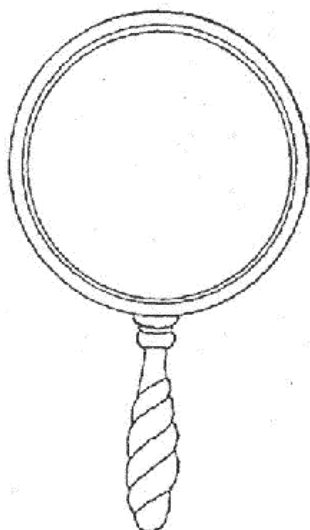

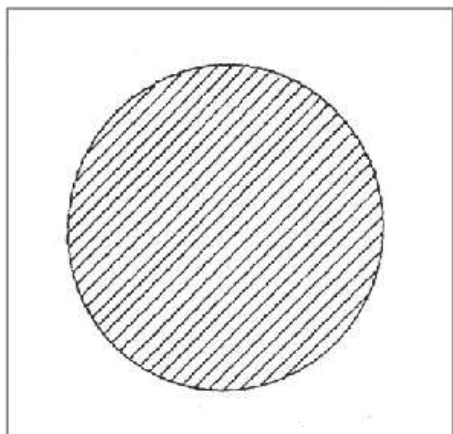

- Delinea de amarillo los triángulos y de azul los rectángulos.

- Colorea la figura geométrica que es igual al modelo.

- Pinto las figuras que tienen la misma forma del modelo.

- Pinta las figuras que tienen la forma del cuadrado.
